C, SQL, Unix, C#, Ruby,  
C++, PHP, NodeJS  
L<sup>A</sup>T<sub>E</sub>X

## skills

Object-Oriented Design, Software Testing and Debugging, Problem Solving and Logical Thinking, Teamwork, Written and Verbal Communication.

## experience

- 2019–Now **Curtin University** Bentley, WA  
*CoderDojo Mentor (Volunteer)*  
I currently help young children and teenagers ('ninjas') achieve their goals in programming. I mentor them using my programming knowledge. I learned Flutter and Dart to show 'ninjas' how to make apps.
- 2017–2019 **McDonalds** Lakelands, WA  
*Crew member*  
My part-time position was preparing McDonald's products. I am trusted to lead the kitchen and to be left alone for an overnight shift or morning shift.
- 2019–Now **Concept Marketing** 12/17 Foley St, Balcatta WA 6021  
*Web Developer (Work Experience)*  
This work-experience position involves using PHP, Bootstrap, CSS, HTML and other various tools to develop web-pages according to the specifications given to me.

## education

- 2004–2018 **Graduated with ATAR & WACE** Frederick Irwin Anglican School
- 2019–Now **Studying Bachelor of Science** in Computing (Computer Science (CWA: 83.25)) Curtin University

## other qualifications

- 2018 **Certificate II in Live Production** Frederick Irwin Anglican School
- 2018 **Construction Induction (White Card)** Narbil Training

## awards

- 2018 **Crew Member Of The Month** McDonalds  
Awarded as recognition for doing an excellent job.
- 2019 **Recognition of Academic Achievement** Professor Mark Buntine - Dean Of Science - Curtin University  
The commendation is awarded in recognition of a high level of academic performance
